Good afternoon Richard,

UHRC is would like to know if there's any way to prioritize the following authorization number/location for a CSLA cleanup as the encampments there are getting larger. There have been multiple business and citizen complaints at this location and the Chinatown Business Improvement District (BID) has reached out to us for help.

UHRC has been working on the RVs in this location for awhile, and has been able to clear them out in order for a CSLA cleanup to occur. It's in AMS and pending all three signatures. LAHSA is aware of this location and will begin to conduct outreach there:

181120011 - 128 W Llewellyn St 90012 - location is in CD 01, Central Division.

According to the January 2019 CSLA calendar I have, the next CD 01 dates are 1/10/19 and 1/16/19.

Any assistance you could provide would be greatly appreciated - thank you!
